GOMikeS  
 

Welcome to the interactive aspect of the session

# Which Inspection Question (IQ) might you be best able to respond to?

# What strategies might make the best of an inspection conversation?

be informed

Honesty

Honest reflection

Have evidence that  
Governors have been  
monitoring RE and Collective  
worship and understanding  
of the impact these have

Being knowledgeable  
and having asked  
relevant questions

Evidence

Whole school/trust  
support

Visit the school  
Reflect

# What strategies might make the best of an inspection conversation?

Truly know your school. Make sure you have worked with the leadership team and kids. Been present

Ask for help and information and go and see.

Open and honest reflections of what really happens, based on lived experience when in the school

Know your school well

Speak to parents, staff and pupils to gain evidence

Provide examples Be unified

Knowing the school and its context well B being able to cite some eggs

Get everyone on same page - start by everyone attending this course! Assign each Foundation Link Gov with one or two of the inspection questions to be focus leaders

# What strategies might make the best of an inspection conversation?

Thorough preparation  
with evidence

17

# Name the area you would like to monitor and report to the FGB next?

26 responses

# How are you feeling about your forthcoming SIAMS Inspection now?

28 responses

# FEEDBACK - use new Menti now or access later through the Learning Page
